

ROTARY CLUB OF CHARLESTON

Service Above Self

Rotary Club of Charleston Expectations

WE ARE PEOPLE OF ACTION – MAKING A DIFFERENCE!

To get the most out of Rotary, strive to attend at least 65% of the time. This is achievable when using meetings, service projects, committee meetings, socials and visits to other Rotary clubs.

Please pay your dues in a timely manner. Pay dues in a timely manner. Dues are paid in two semi-annual payments and include required Rotary International and District dues. It is your responsibility as a member to pay your semi-annual dues in a timely manner. If your employer pays your dues, it is up to you to ensure your invoice is processed on-time.

Participate in the work of a club committee. Our club has multiple committees available to members such as Membership, Grants, Fundraising, Public Image, Foundation, Vocational, New Generation/Education and Community Service. We can find a great fit for your passion and your talents! Ask your sponsor, a Red2Blue Team co-chair, or the Membership Chair for more information.

Participate in service projects. The Community Service Committee coordinates service projects in our community, and you are invited to participate! Service projects are announced at weekly meetings and will be highlighted in the club's weekly e-newsletter.

Sign up regularly to be a meeting participant—Being a meeting volunteer is a great way to learn whether in-person or via zoom. On meeting days, you can participate by volunteering as a greeter, present the Invocation & pledge or introduce our visiting Rotarians & guests. These volunteer positions help meetings run smoothly and are great ways to be involved and meet other members.

Make an annual financial donation to RCCF & RF. Rotary Club of Charleston Fund (RCCF) is our local foundation, which supports our club's local projects. Rotary Foundation (RF) is Rotary International's foundation, which supports the many projects of Rotary International. You will be asked for an optional donation of \$50 for each on your semi-annual dues invoice. Please consider making the donation with your dues as these projects are not possible without your support. You will receive more information.

Wear your Rotary Pin every day. Invite like-minded colleagues and friends to consider membership. We ask that all members continuously scan their networks and the community for new members to help grow our service to the Charleston community!
